

Hi year 6 parent/guardians,

As you know I have booked the Limos' for 3.30p.m after the leavers assembly on the last day of school, this Friday the 7<sup>th</sup> of July.

They will have time to get changed before going in the Limo's so bring some clothes for them to change into at school after the assembly. If going to operation laser it says on the website they supply a clean dry coverall to wear over their clothing, so I'm thinking legging/joggers and a t-shirt? And they suggest they wear boots or sturdy footwear/trainers as all games are played in natural woodland. If you have gloves it is suggested they wear them.

People going bowling can wear whatever they would normally wear to go bowling as they will supply the shoes.

3 limo's and the party bus are going to Operation Laser tag, Haigh Lane, Barnsley, Haigh S75 4DA will need picking up around 6.30 p.m. The entrance is through a farm gate and then turn sharp right and follow the track to the car park and safe area. (If just going in Limo they will need a picking up at 4.30- 4.45 as the limo ride is for 1 hour).

I will be there so if anyone is struggling for a lift back I do have some spare seats.

1 Limo is going to bowling with 3 children so if any parents want to go in the Limo with them it seats 8. If not you need to meet the Limo at Barnsley Bowl, Carlton Road, Barnsley S71 2AZ at 4.30 ish to take them in and pay for the bowling. They just have 1 game booked but sure if they want to play another they will be able to now that there are less people.

There has been a change of plan for afterwards as we couldn't book any tables in 'The Norman' so we have some tables booked in The Full House if anyone wants to eat then we should be able to go through to the function room where there are more tables and a pool table.

I have texted some people who I had numbers for, just to let you know that I needed another £5 towards the limo money as I had used the balance from my first invoice but I had to add another vehicle on and so the balance was different and I had not realised until I was adding up the money the other night. Please accept my apologies for this.

The reason the price is as much is because we have 44 children wanting to go and now only 42 as 2 are no longer going and the limos seat 8 so we needed 6 cars but we have spare seats as I couldn't say that 2 children couldn't go as that wouldn't have been fair, so the total price has been split between us all.

The total price for all the limos' and party bus is £1280 and I had stated in the original letter that the price with laser tag was going to be between £40 and £45 depending on numbers.

Any problems give me a ring as I am happy to show the invoices 07932426316.

Thank you, Stephanie
