Same and different families

Where do babies come from?

Life Stages Plants, Animals, Humans

## **Pregnancy and maternity**

Life Stages - human life stage-who will I be?

Where do babies come from?

Teaching and learning about protected characteristics is integrated into the vast majority of our PSHE lessons through the SCARF spiral curriculum using age-appropriate content.

However, some protected characteristics benefit from more in-depth coverage providing children time to explore the knowledge and attitudes that will help them develop an appreciation of them. These SCARF lessons provide greater depth to the relevant protected characteristics.
