Dear Parents/Guardians

Parking at WICKES DIY Store

As I am sure you are aware, there are now parking restrictions in place at WICKES Store.

The store manager has been extremely accommodating in continuing to allow our parents/carers to still use this facility for dropping off and picking up at the beginning and end of the day.

However, this arrangement is subject to the following:

- All parents/carers must not park close to the main entrance
- Parking at the front of the store must be left clear for store customers
- For parents/carers who arrive early, or leave later, please be aware that should your stay be in excess of 90 minutes, then you will receive a parking fine.
- Children **MUST** be supervised at all times. We have been informed of incidents where children have been running around in the car park and climbing on the store's outside displays.
- Wickes reserve the right to end this agreement at any time, should there be any further issues.

Thanking you for your kind attention to this matter and for your support.

Kind Regards
